Dean Stout Field - Kofa High School Baseball

Per YUHSD70 Policy and Arizona Interscholastic Association (AIA) requirements, all coaches, staff, and spectators will wear masks at all times, and in all aspects, of their participation in events hosted on our campus. Only athletes actively participating in competition on the field of play will be without masks. Athletes and coaches will follow AIA Guidelines and sport specific modifications in maintaining the safety of all participants including longer timeouts to allow for social distancing and water distribution, sanitizing of equipment throughout the event, and limited locker room access. Coaches and AIA Officials will exchange an AIA Event Athlete Monitoring Form for each event to attest to the health, and symptom-free status, of each player and coach. Per Arizona Interscholastic Association (AIA) Guidelines, Athletes and coaches will be able to social distance on the field and in the dugout and appropriate protocols have been established to allow them to access water throughout the event while maintaining social distance and wearing masks.

Spectators will wear masks at all times in order to attend each event.

Hand washing stations and restrooms are available throughout the venue and large signs remind all spectators to wash hands often and for an appropriate amount of time. Each campus in our district has posted large mascot-themed social distancing signage throughout the venue to ensure social distancing, hand washing, and mask use. The facility will be thoroughly cleaned and sanitized by campus custodians prior to, and following, each event.

Spectators will be socially distanced while entering through gates and be advised to maintain 6ft of social distance (vertical and horizontal) in the bleachers. In order to allow for even greater social distancing in the bleachers, spectators will be allowed to bring their own chairs and watch the game from along the fenceline surrounding the field. Each spectator will be required to acknowledge the inherent risk of attendance and sign a COVID-specific waiver prior to their attendance. The waiver includes the requirements of attendance including mask use, social distancing, and staying home if they are feeling unwell. Security personnel and campus administration will continue to monitor social distancing, use of appropriate PPE, and adherence to other mitigation measures throughout the event.

There will be no food or beverage concessions available at events.

This outdoor venue allows for adequate ventilation during all events.

Dean Stout Field – Kofa High School

All spectators will enter through the designated ticketing/entrance and be signed-in by security personnel. Spectators will not be allowed in dugouts or in the play area.

Spectators will utilize the large bleachers and four smaller overflow bleachers while maintaining 6ft of social distance from other spectators and wearing masks. Spectators will also be able to watch from the 1st Base fence-line.

Athletes will stay on the field of play wearing masks whenever they are not actively competing and maintain 6ft social distance when appropriate.

Hand-washing and sanitation stations are available in all restrooms and in the bleachers

Large mascot-themed signage will be used to ensure mask-wearing, Social distancing, and hygiene. Security staff, administrators, and School Resource Officers (YPD) will be mobile and supporting efforts for social distancing and mask use.

Expected attendance is <100. The large bleacher's capacity is 200 people. With the additional small bleachers, and 1st Base fence line, all spectators will be able to easily social distance from one another. If required, we have additional outdoor bleachers available and spectators can also watch from the hill above the field and the outfield fence.

Individuals are to be reminded to avoid touching their cloth face covering and to wash their hands frequently. To ensure the proper use of cloth face coverings, staff and students are to be educated on how to wear and care for their cloth face coverings.
